Re: FULL PAYOFF LETTER Business Loan Account #5CB8A849

To Whom It May Concern,

General Prepayment: The full repayment amount due on your business loan is **\$30,421.26**. This is the amount due if the payoff is provided by a third party (for example, another lender), from an account other than your designated business account, or you are otherwise not eligible for a prepayment discount under the terms of your Business Loan Agreement.

Prepayment Discount: If your payoff is from your designated business account and you are otherwise eligible for a prepayment discount under the terms of your Business Loan Agreement, then the amount due as of the date listed above is **\$29,582.33**. If you pay this discounted amount but you do not qualify for it, you acknowledge that you remain responsible for and shall pay the outstanding balance of your business loan in accordance with the terms of the Business Loan Agreement and you authorize us to debit your designated business account for such outstanding balance.

Please make your payment by close of business within two business days of the date on this letter. If payment is made on the third day or after, the final payoff amount may differ due to additional payments you've made during that period. So long as you pay the correct amount based on the requirements above and once we have verified the funds have cleared, the business loan account will be closed.

Payment Instructions: Please submit Wire/ACH **ONLY** to the following bank account.

Bank: Truist Bank, as Administrative Agent
3333 Peachtree Road Northeast, 10th Floor East
Atlanta, GA 30308-3201

*For Wire/ACH ONLY. No checks.

Routing Transit/ABA #: 061000104
Account #: 1000200578960
Account Name: Retail Capital, LLC A/R Account

Also, please be advised that your regularly scheduled debits to your business bank account will continue until the payoff funds have been verified as clearing. Any amounts which are processed after the payoff amount has been received, will be returned to your designated operating account within 5-7 business days after the payoff has been posted.

Thank you for choosing Credibly as your source for working capital. We value you as a customer.

Sincerely,

Meaira Bennett
